BITS AND PIECES

This is our jigsaw, South Range High School.
A large complex puzzle with intricate elusive pieces.
Pieces- 518. Pieces of every shape,
size, color.
Living pieces, moving. Active.
A high school filled with people.
People living,
pursuing a childish,
disillusioning dream
and catching only despair . . .
And then some warm day sometime,
somewhere
a tingle of hope.
Life once again is a rising dream.
There's a reason for
Living, life, people . . .
In a high school that holds us tightly
yet loosely
and lets us go-
Go to be what we are anyway- People
People like the jigsaw pieces-
dissimilar but fitting to pattern.

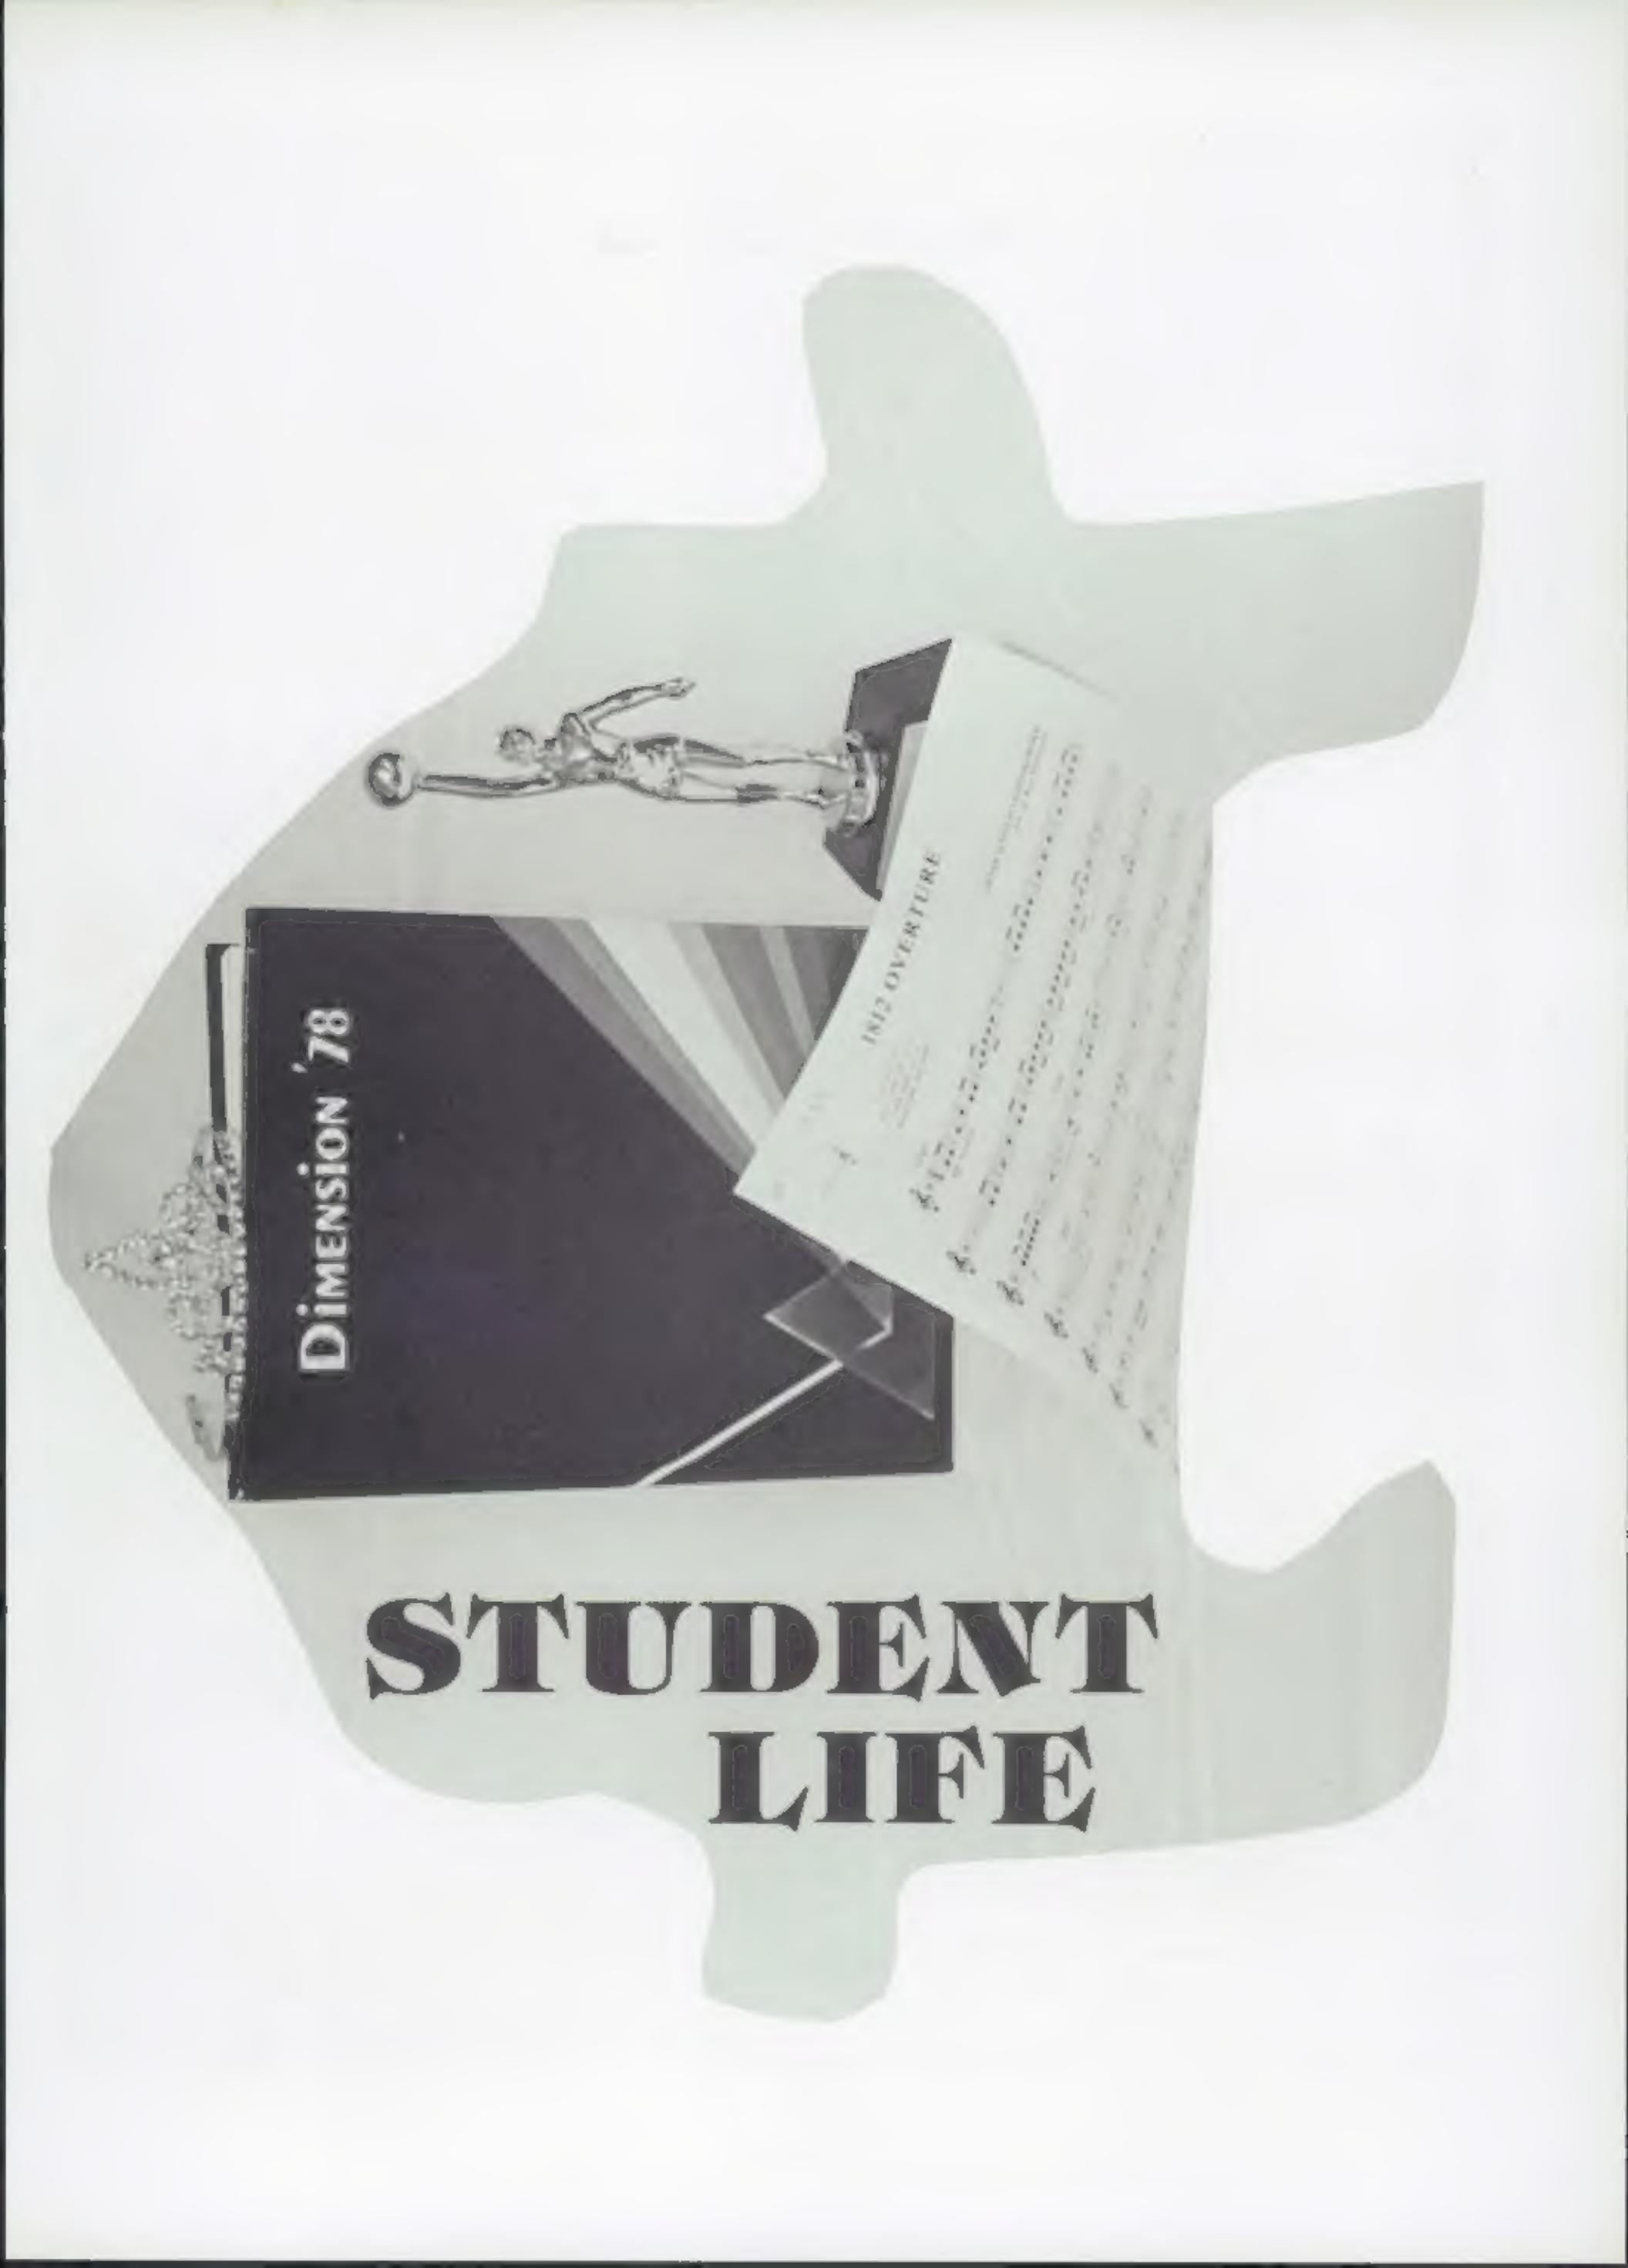

DEDICATION

This is our tribute to a special lady who has supported our school in every endeavor, Mollie McGregor. Thank you for being at every sports event, win or lose, for being a patron of the arts, attending concerts, musicals, and art shows. Thank you, not only for being supportive of the high school, but taking and interest in the students at every level. The memory of her husband Dr. Harlon McGregor also a South Range Enthusiast still lives on in the McGregor Award, given to the outstanding football player each year by Mollie McGregor.

N.H.S. INDUCTION AND

TAPPING

22 Juniors and 6 Seniors, chosen on the basis of Scholarship, Leadership, Character, and Service, were selected at the unannounced NHS Tapping Ceremony on November 13.

On November 20, these honored students were formally inducted into NHS. The well-prepared speeches were on Scholarship by Amy Schaffer, Leadership by Ken Cullar, Character by Jan Kenreich, and Service by Rita Witmer. Andy Kosco a former baseball player for the Cincinnati Reds was the guest speaker. The chorus and the Girl's Ensemble each performed a song.

CHRISTMAS CONCERT

A Christmas musical program was presented by the band and chorus members on December 16. This concert included several numbers by the chorus and the Girl's Ensemble. A special treat was the duet by Jon Norwood and Sue Deutchlander. The program also included a fine performance by the band. Everyone enjoyed the songs by the Stageband, a new group at South Range this year. The program ended with a Christmas carol sing-a-long accompanied by the band.

DRAMA

Y

The members of the Drama Dept. displayed their varying talents at a special assembly May 25. The many acts included music, comedy, and serious drama. It was obvious from the fine performance that the students take their acting seriously and put in a lot of hard work.

At the dance following the game, the evening of February 2 ended with the crowning of Ken Cullar and Rita Witmer as 1979 Basketball Homecoming King and Queen by last year's reigning couple, John James and Janine Hatch.

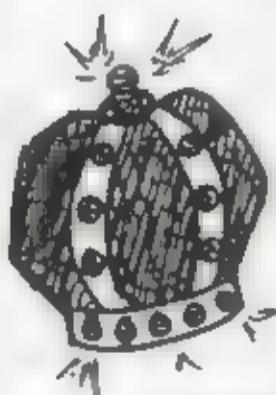

Also recognized at the ceremony were the attendants chosen by their classes -- Seniors-Jeff Wisler and DeAnna Martin, Juniors -- Chuck Bogdan, and Debbie Evanoff, Sophomores -- Dan Kandray and Jody Mellott, and Freshmen -- Billy Niemi and Rhonda Kneidler.

A.F.S. EXCHANGE

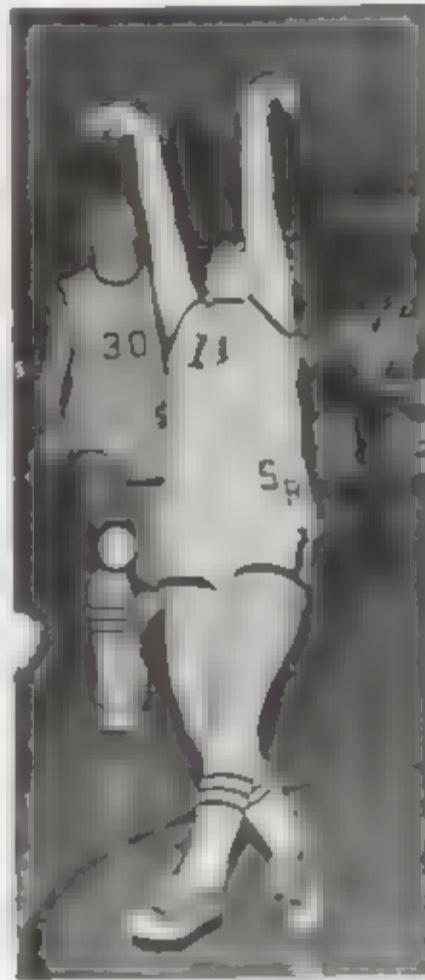

DAY

South Range students had the opportunity to learn many interesting facts about foreign countries on the AFS Exchange Day. On February 15, nine AFS students from the area visited our school. They attended different classes where they were asked many questions about their countries. After bowling with the AFS club, the AFS'ers were honored at a covered dish dinner. Also invited to the dinner were the host families and the community. The countries represented were Portugal, Germany, Switzerland, Denmark, Belgium, Sweden and Brazil.

Are My Hands Clean?

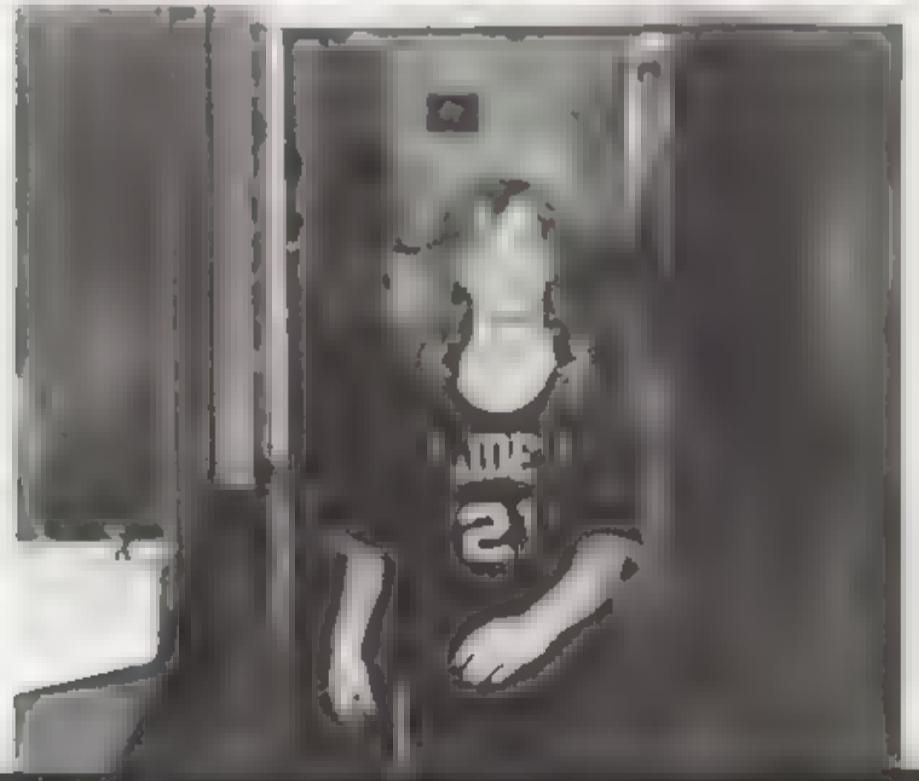

The traditional Student Council Slave Day was held this year at the beginning of March. Loads of fun was had by everyone on the day of the auction but more fun was had on the dress-up days. Outfits this year ranged from a hula girls to the Easter Bunny and other exotic costumes. Student Council should be commended for a fine job.

LI'L

ABNER

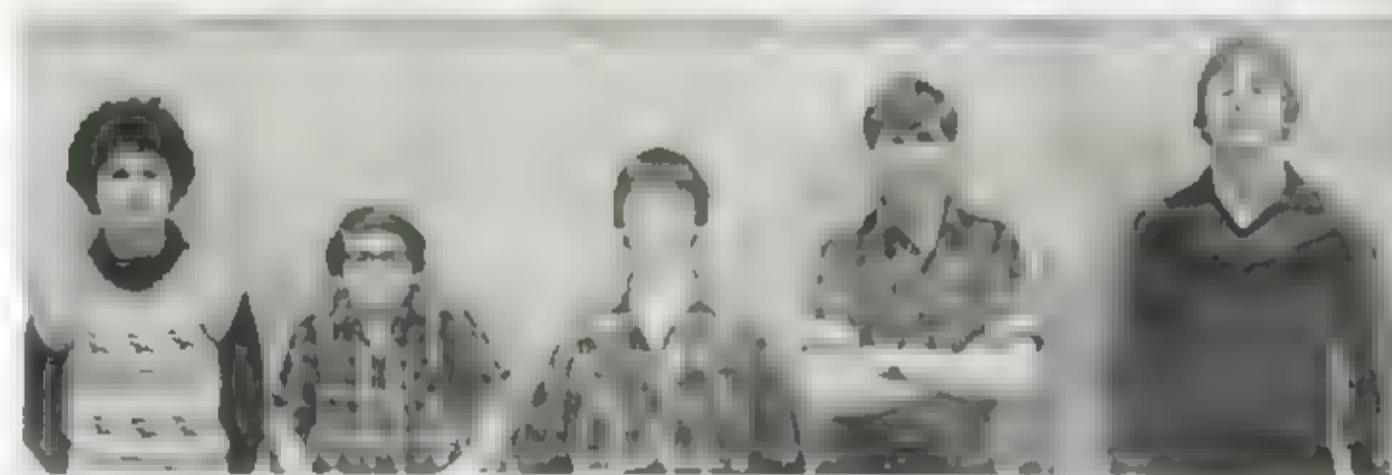

After weeks of hard work and tiring practices, the Fine Arts Dept. combined efforts to perform the zany comedy "Li'l Abner". On April 20 and 21 audiences were entertained by Jeff Good as Li'l Abner and Patty Matthews as Daisy Mae. People who contributed to the success of the play were Char Good, piano accompaniment; Mrs. VanBrocklin, song director; Mrs. Bayowski, director; and Mr. Cubick, orchestra.

Joe Eusebio, Matt Morey, Kevin Wilson, Patti Matthews, Char Good.

Steve Ralich, Steve Rischar, Ty Votaw, Besty Maltbie, Brigid Bookwater.

Ann Webber, Danny Ackerson, Larry Sauerwein, David Stonerook, Tom Kyser.

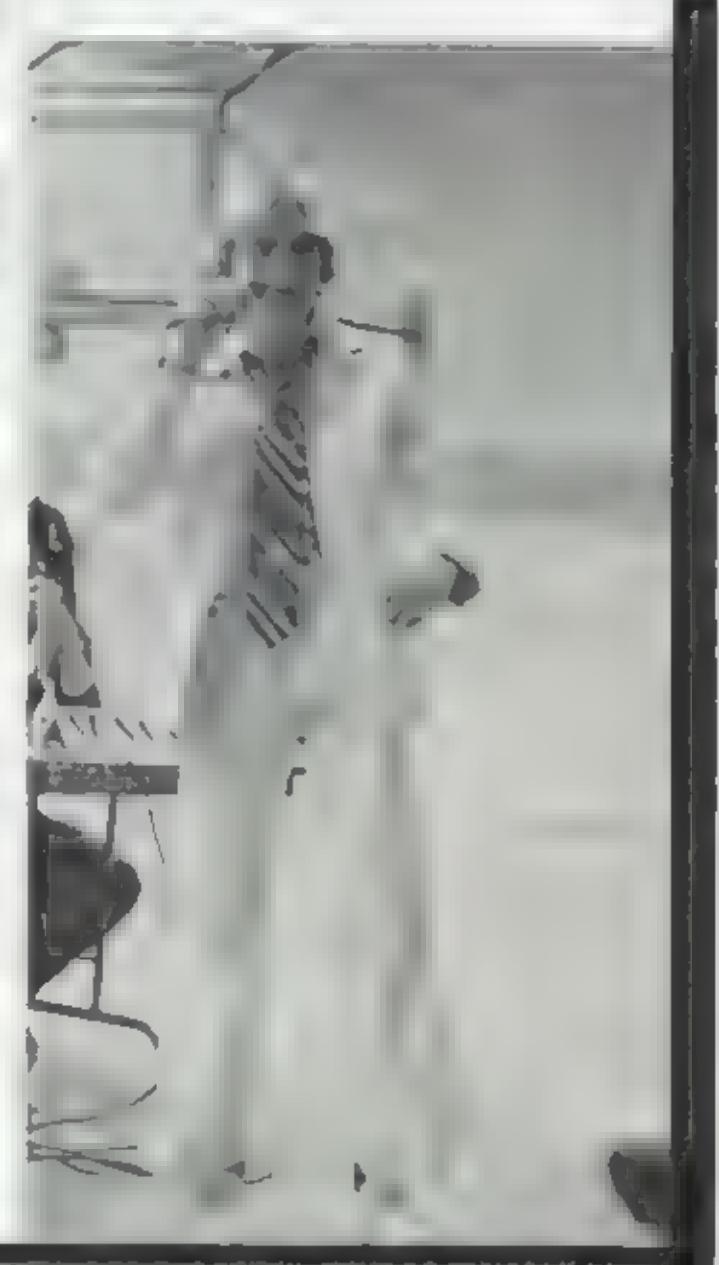

Kathy Kurtz, Diane Schmidt, Susan Maltbie, Lyle Weaver.

HIGH SCHOOL BOWL

The High School Bowl was sponsored by NHS and it turned out to be a lot of good fun. Randy Jacobs was the game host with Chuck Bogdan the MC. After two rounds of playing the juniors and the sophomores were up for the win. The sophomores showed more than their brilliant intelligence and beat the juniors soundly!

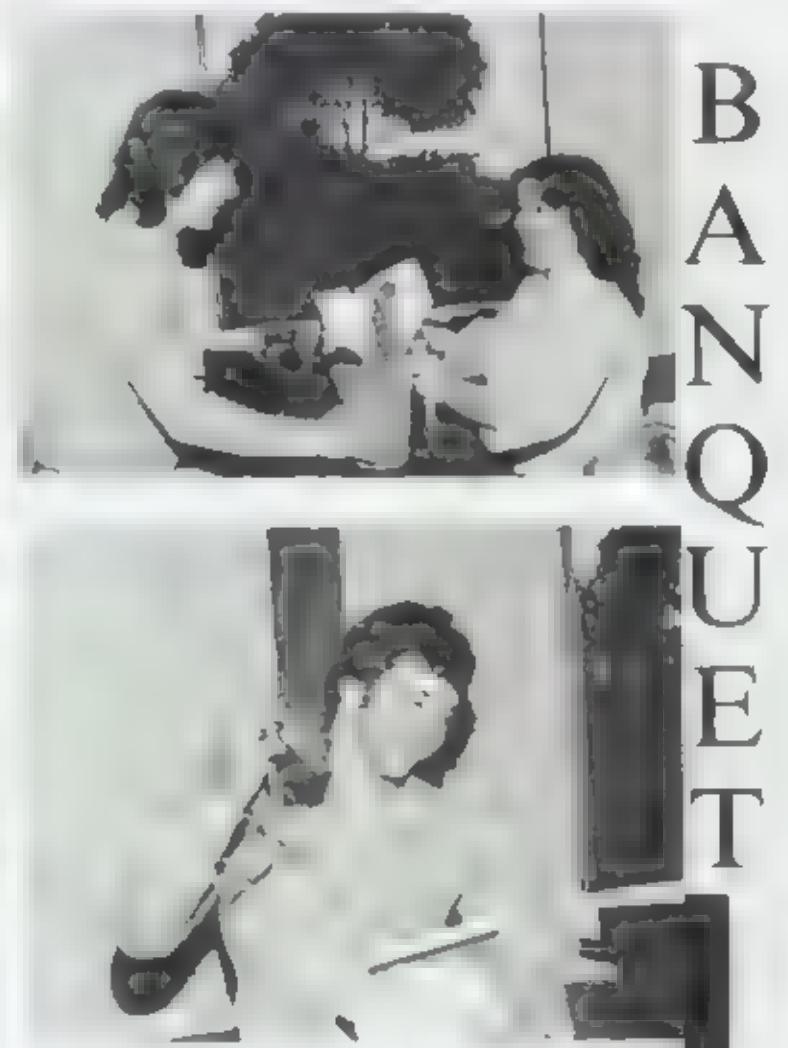

Most of the questions were fun ones testing peoples knowledge of their school and fellow classmates.

JUNIOR AND SENIOR BANQUET

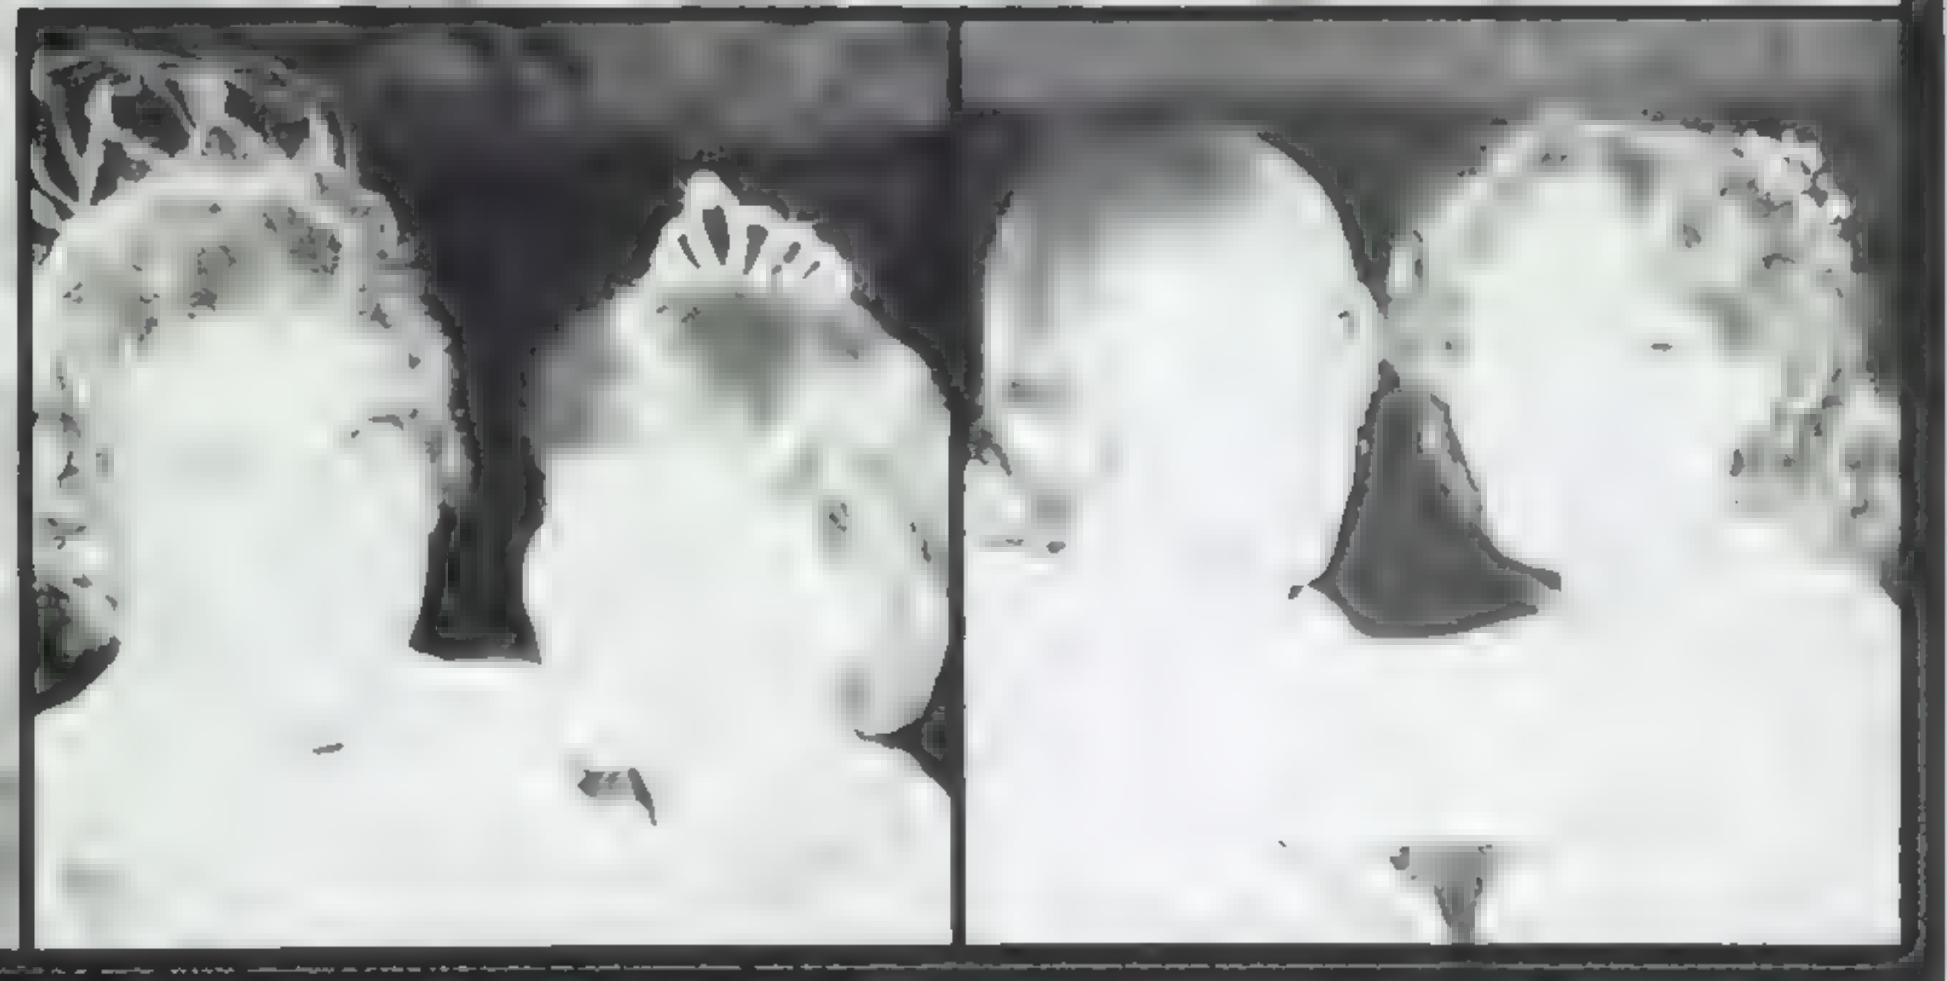

Timberlanes was the setting for the Junior - Senior Banquet held on April 27. Each of the seniors were honored with a special gift of appreciation by a Junior. The evening created a close feeling between the two classes.

An ocean cruiser docked at a tropical island in the corner of SRHS gymnasium Friday night May 5 and unloaded about 90 couples ready to enjoy an evening in Paradise. Greeted by hula girls placing leis about their neck. They also viewed a moonlit ocean, a trickling fountain, and a massive jungle. "Executive Collection" provided entertainment for the evening. Mr. Valentine proved to be an excellent captain and announcer for the royal court. Joe Eusebio and Jan Kenreich were chosen King and Queen and Kevin Wilush and Patti Matthews senior attendents. The after prom was all night at the YMCA in Youngstown.

A CRUISE TO PARADISE

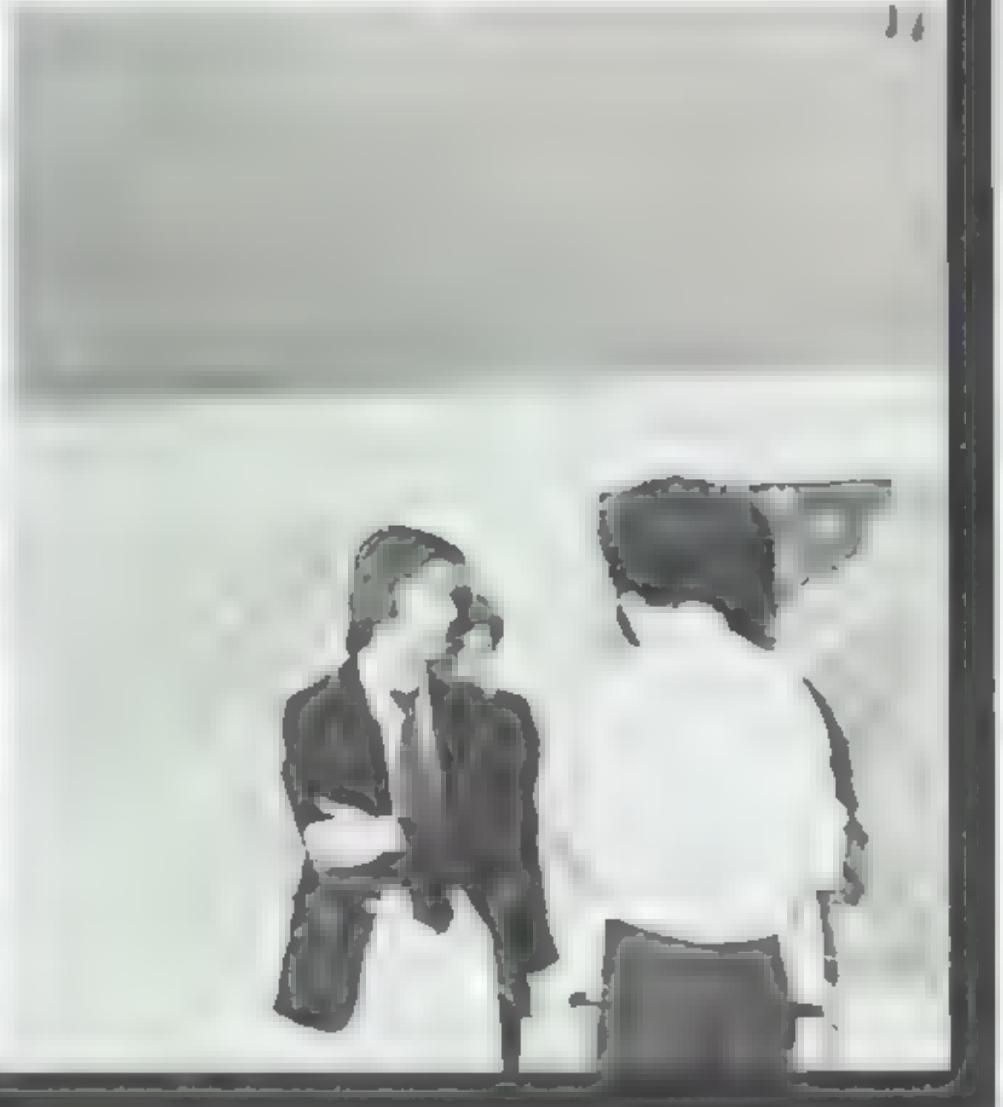

SPRING

A R T S S H O W

The band, the chorus, and the Art Dept. each displayed their great talents at the Spring Arts Show. Following the number by the Girl's Ensemble, Char Good treated the audience to a special song she arranged herself. A highlight of the art show following the concert was the individual displays of the seniors. An exceptional display was Randy Zwingler's. The program was well attended by an interested audience.

SENIOR TRIP

On May 18 the 1979 Senior class of South Range invaded Cedar Point for a day of fun and action. After hours spent riding the wild rides many of the kids relaxed on the beach. On the ride home on the bus, all of us were quiet and rested after our exciting day.

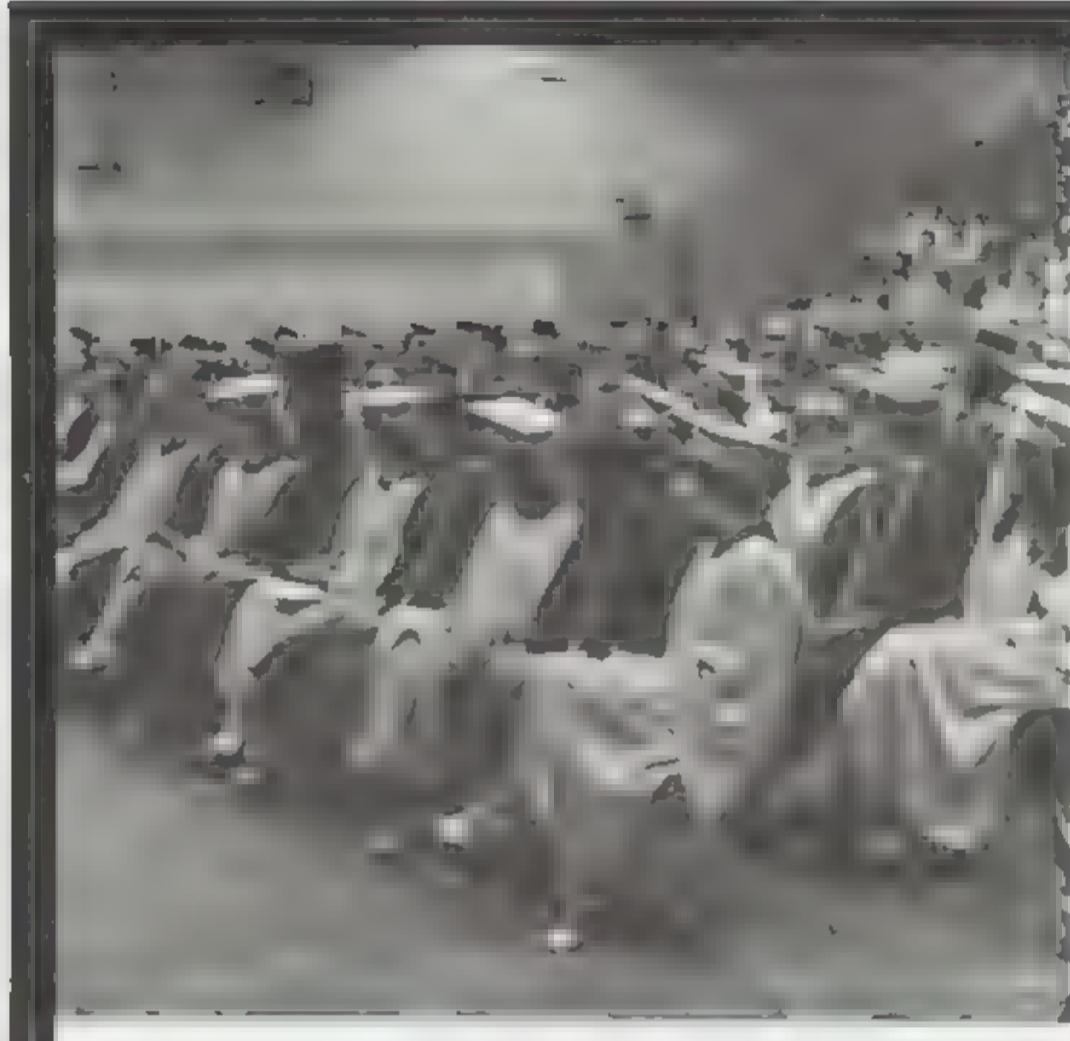

AWARDS

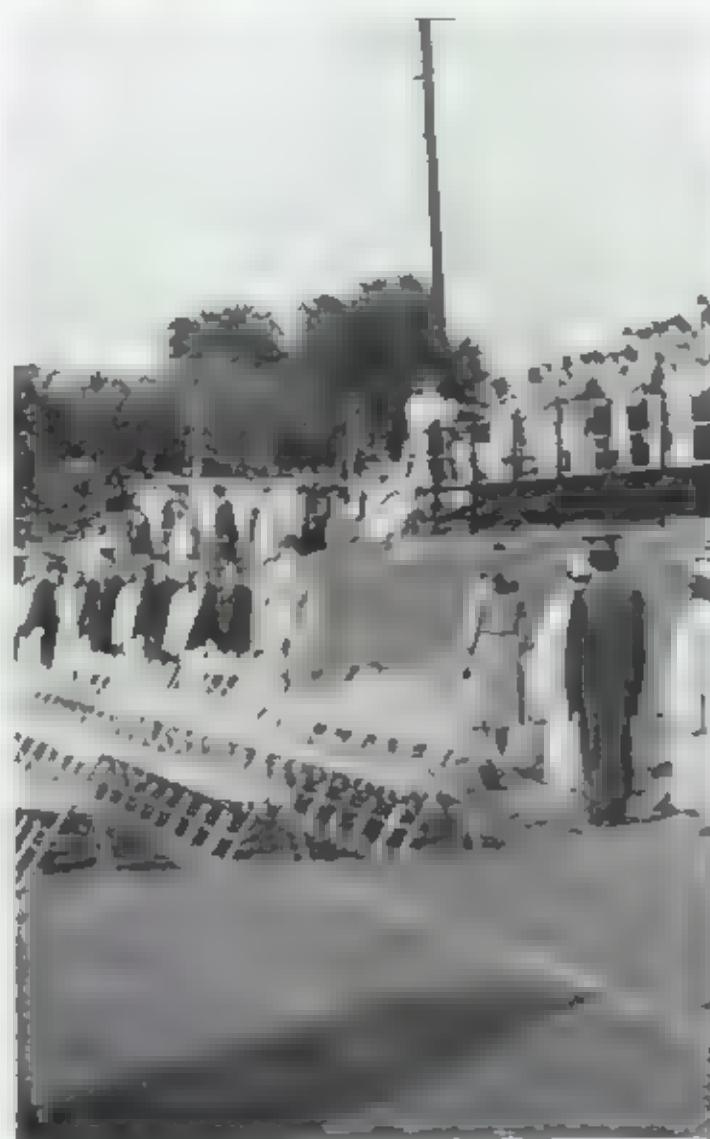

D
A
Y

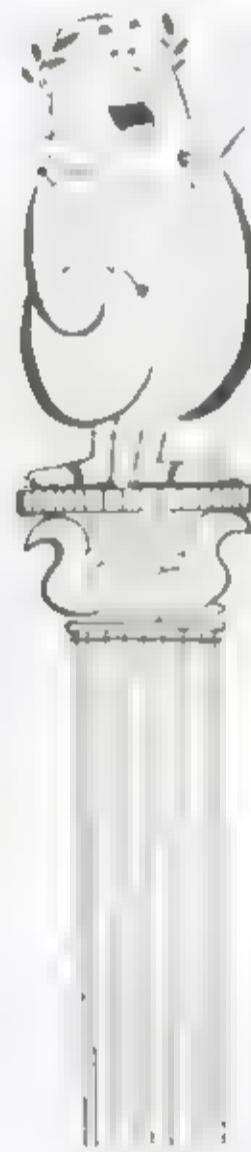

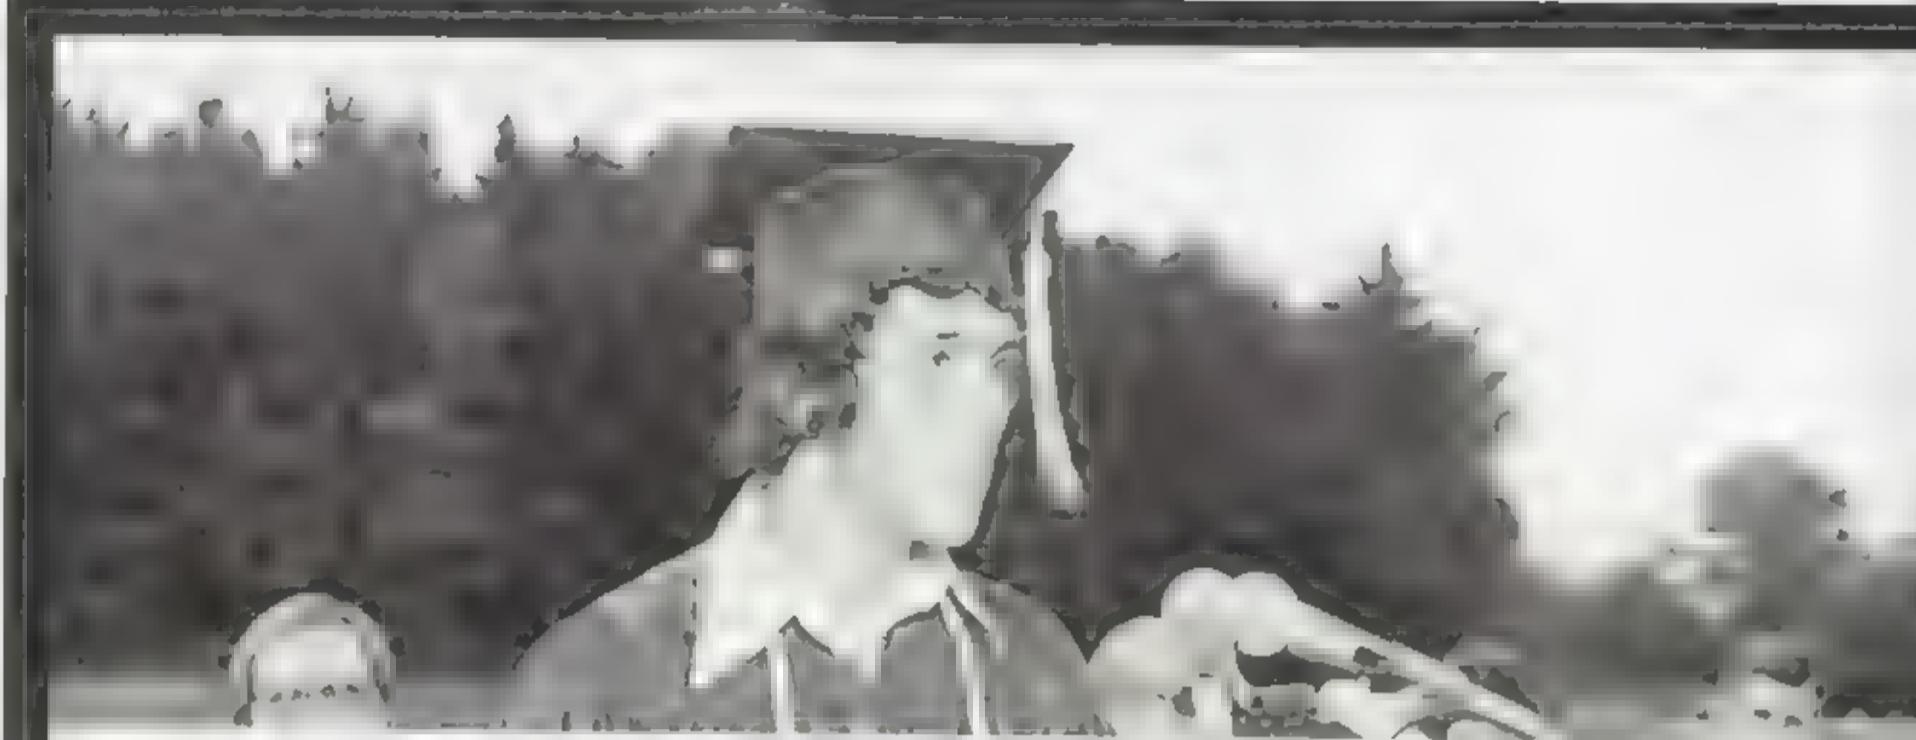

On a rather dismal day in June, the entire Senior Class gathered together for possibly the last time. Seniors slipped into the gym inconspicuous pairs but by 9:00 South Range was ready to conduct Awards Day for the Class of 1979. Awards were given for all possible reasons and we are sure that the Kleenex Company made out rather well on June 1st.

GRADUATION

Clouds rolled away and the bright sun shone upon the faces and the lives of 131 graduating seniors. June 3rd. 1979 was a day to be remembered by all. We grew up together, we laughed and cried together and now with eager hearts and heads we will go into the unknown together.

Each of us has touched each other in a different way and our lives will always be different for it. Let us hope that the class of 1979 has made your lives just a little better.

Last Summer the American Legion selected four students to represent our school at Boy's and Girl's State. The two students picked from Beaver Township were Matt Morey and Jackie Hollister, from Green Township Patti Matthews and Mark Wince. This experience taught all four students how the government is ran and also gave them the chance to run their own government.

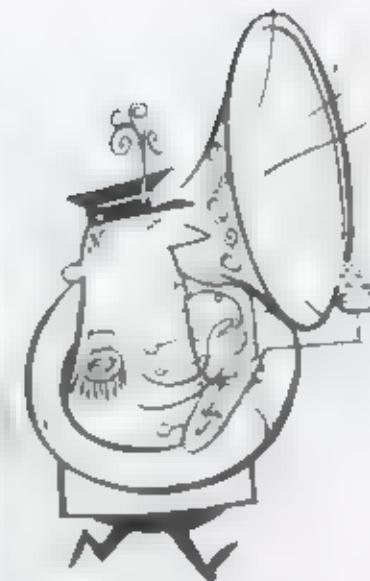

This year's Valedictorians are Amy Schaffer and Rachel Witmer. Each girl throughout her four years of high school has maintained a perfect 4.0 average. Not only have they been active scholastically but they also have been active in extra-curricular activities.

Also this year the Senior class picked Ken Cullar as the honor speaker at Commencement. Ken has also done a fine job these past four years and deserves a lot of credit for things he has done. We would like to congratulate these three Seniors for a job well done.

OUR COSTA RICO STUDENT

"I just want to thank you all for this wonderful year at South Range High School, because you gave me all your friendship, sympathy and some of my poor English even when you knew I did not have anything to give you back."

"I really enjoyed myself getting to know your style of life and school activity, it took a long while to get used to but it was interesting experience."

"One more thing, if you sometime go down to my country, let me know, there will be your friend waiting for you."

Love you all,
Jaime

AFS/Costa Rico

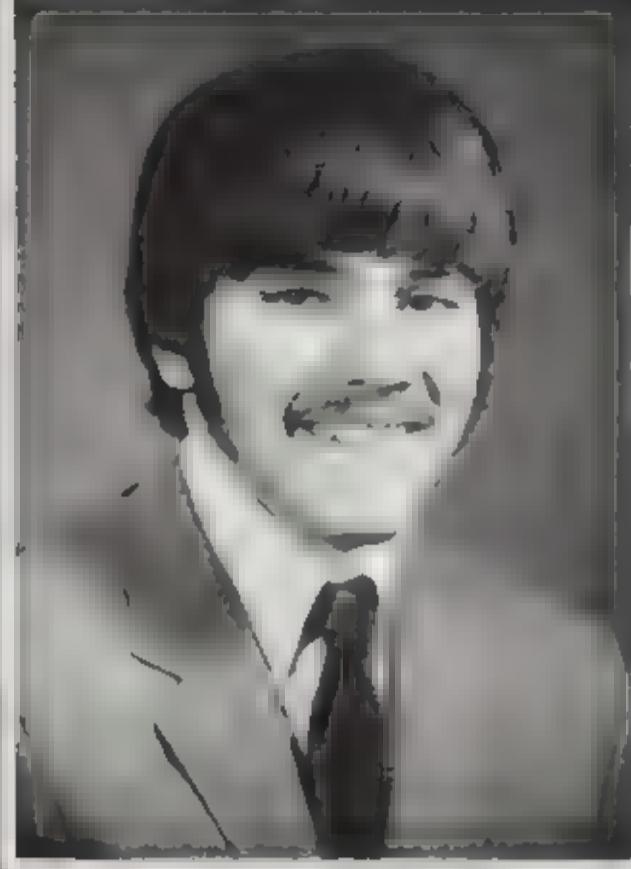

The seniors challenged the faculty in an exciting basketball classic on March 30. In the tight battle, the faculty came out on top, again, by one point. The final score was 63-62.

"As I look back on my summer trip I can only remember the good things, and most of the bad things have been forgotten."

"I left Ohio June 16 and flew to San Francisco for three days where I attended an orientation. I flew from San Francisco to Saipan stopping in Hawaii and Guam. It was a good opportunity to take part in someone else's culture. I enjoyed the outdoor activities with a lot of beautiful beaches and wonderful sunsets. The island people were very friendly and they eat a lot with many parties. One thing they eat over there is raw fish. I didn't. The one thing I really didn't like was the lack of American sanitary standards and my walls were never lacking in lizards, gechoes, and coachroaches. This experience gave me a chance to find out how the other half of the world lives and made me appreciate all I have here."

BOY'S VARSITY BASKETBALL

This year the 1978-1979 Varsity Boy's Basketball team had a very fine year. Under the direction of head mentor Don Feren, this year has been full of surprises. With only three seniors, Vern Blazek, Tim Bush and Ken Cullar they had an impressive 8-12 record, a game with 4 overtimes and the first team ever to win a AA tournament game. Congratulations Team on a fine and well deserved effort.

BOY'S RESERVE BASKETBALL

The Boy's Reserve Basketball Team at South Range rolled right along to a 6-12 record. This team showed great strength and endurance through many tough games especially one which included a 60 ft. shot by Dan Yeagley at the end of the game. This team holds a lot of promise for the coming years.

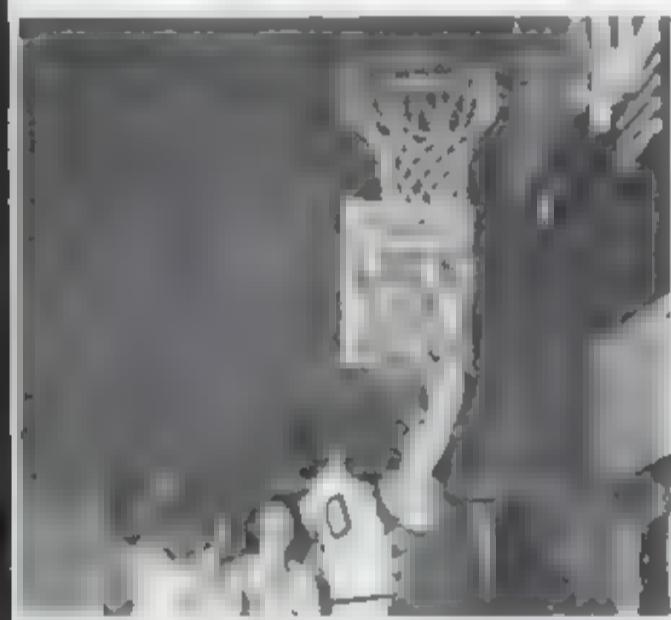

Freshman Boy's Basketball Team; Bill Schneider, Joe Walsh, Doug Bookwalter, Troy Yocum, Lyle Weaver, Dave Book, Kurt Kaiser, Ken Kreidler, Mark Witmer, Jeff Hendricks, Gary Dyer, Mr. Auman Coach.

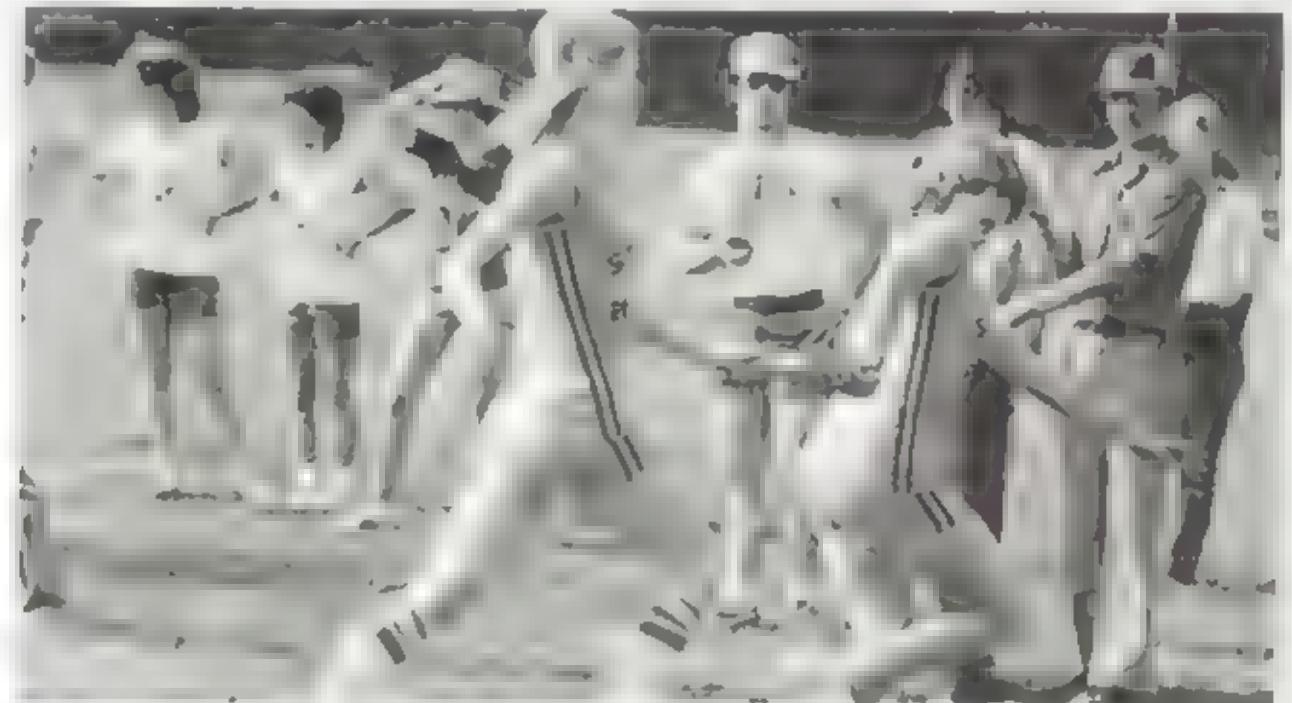

BOY'S FRESHMAN BASKETBALL

This year's Freshman Basketball team under the guidance of rookie coach Mr. Auman had a fantastic season. With a record of 19-1 and a tournament championship under their belts, they will be considered a tough team to beat in the coming years.

GIRL'S TRACK

Under the direction of Head Coach Mr. Patton, the Girl's Track Team had a very fine track season. Each girl poured her all into her track event and into the team and like the guys they also broke many records and some qualified for District. South Range High School should be very proud of the fine effort put out by the Girl's Track Team.

BOY'S TRACK

The 1979 Boy's Track Team had a very successful season this year. The team led by a strong team of Seniors succeeded in having an undefeated season, ICL Championship and a County Championship. Many records were broken not only once but sometimes as many as three times. These efforts by the guys showed great determination in reaching a particular goal. There were many people that made the team great but we would like to recognize the Seniors and their events.

Vern Blazek-880, mile relay and 440.

Joe Eusebio-440 relay, discus.

Bruce Hartsock-Discus and Shot.

Matt Moray-mile and 2 mile. Doug Sabo-Hurdles

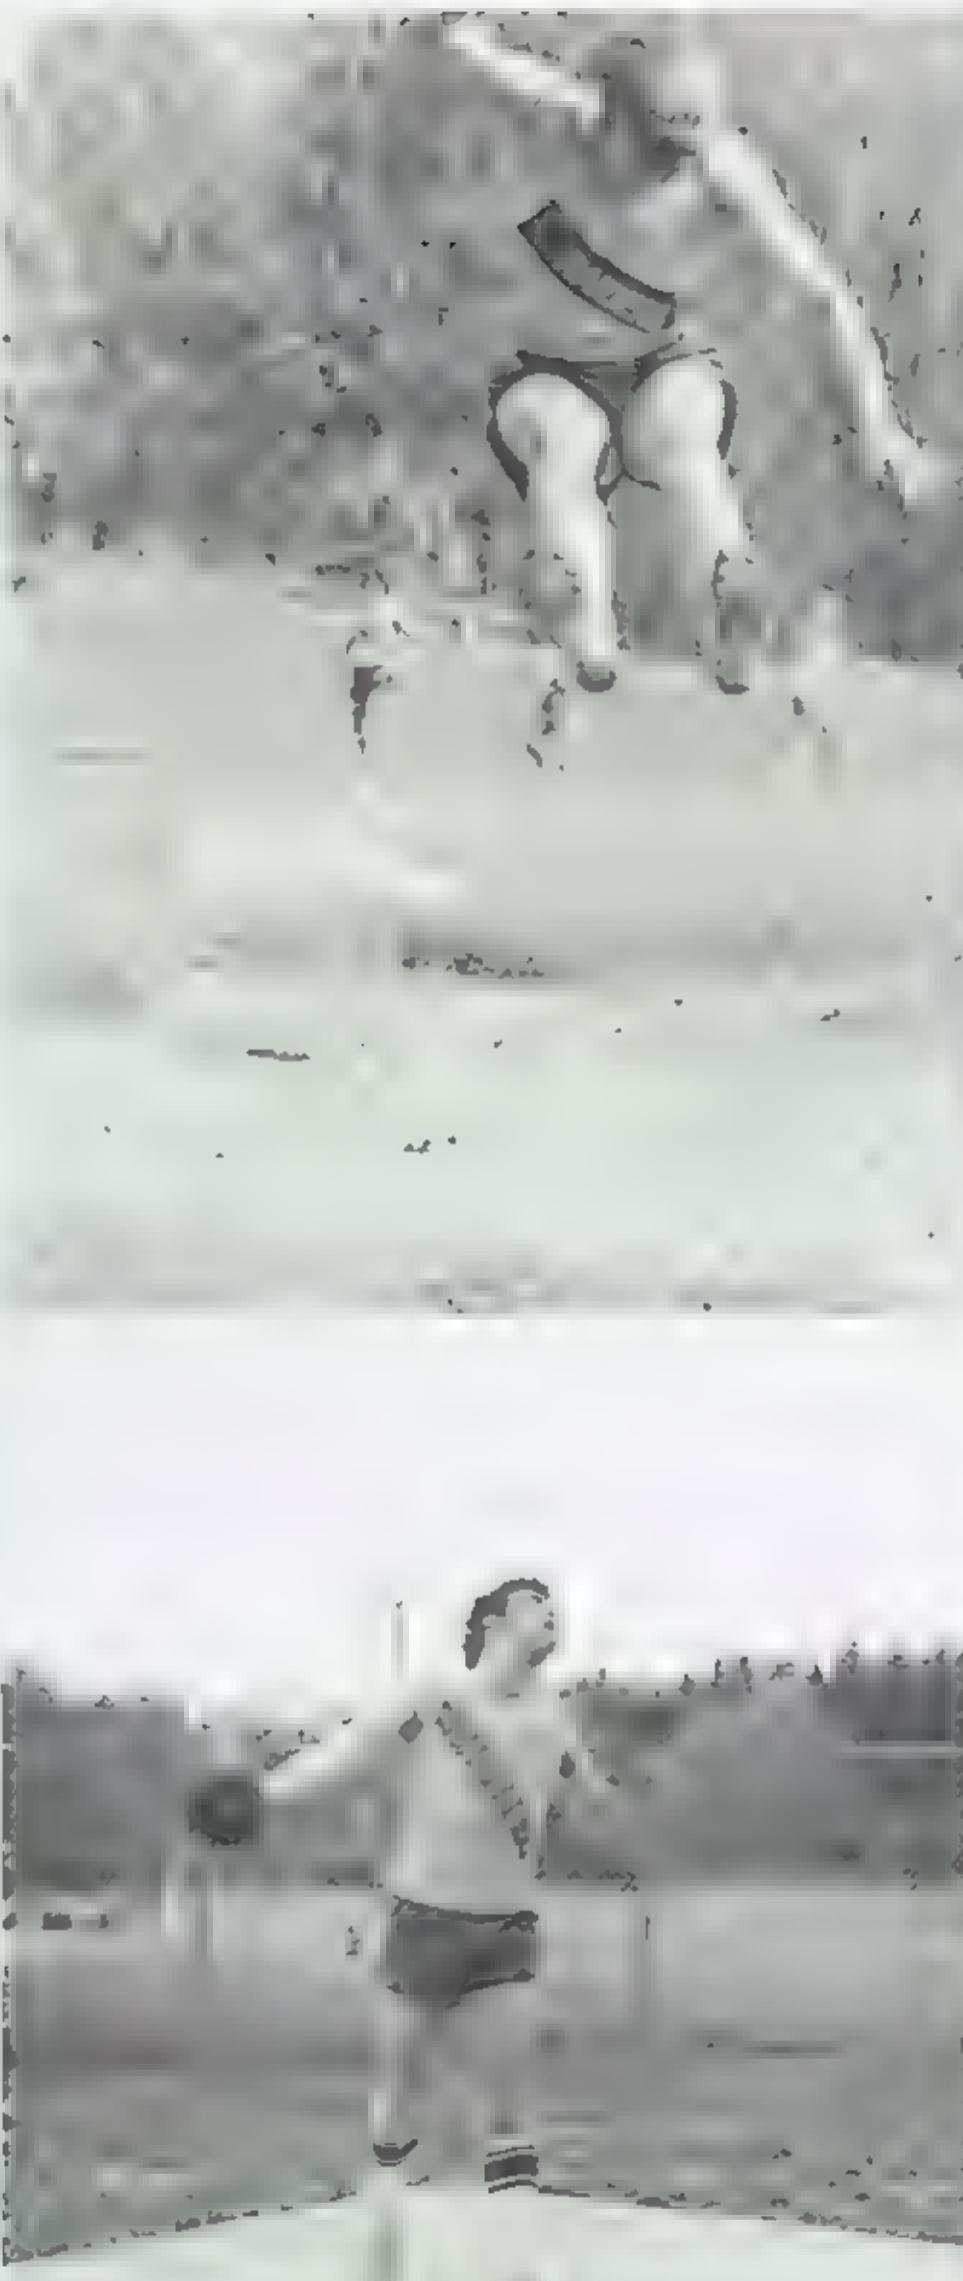

Dale Williams-100 yard dash and 220

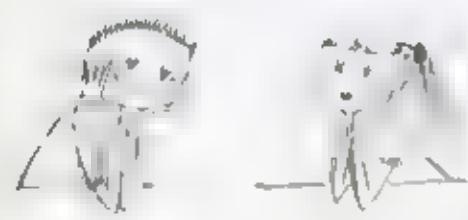

Kevin Wilush-long jump and 880 relay

Randy Zwingler-long jump, high jump, 100 yard dash and 880 relay

These Seniors not only led the team but they also set very fine examples for every one to follow. At the end of the season Mr. Densevich not only lost a fine group of Seniors but he also lost his own moustache.

AUTOGRAPHS

The theme of this Yearbook has been Bits and Pieces and with the use of jigsaw puzzle piece we have tried to show how each person can truly be their own individual and still be part of SRHS.

There are so many people that I would like to thank the faculty and my yearbook staff. But the people I would like to thank are you the students for giving your all for the school and for the Yearbook
